

Virus[©] 33500ml

The most savage club in the U.K.

Now more members than ever before.
An earth shattering 33,500 so far.

Catch it here every night: London, Leeds, Manchester,
Liverpool, Newcastle, Bristol. Any city, Anywhere.

Live appearances from HIV & Other STI's.

If you want to leave this strictly hardcore event without the risk
of becoming HIV positive, it's strongly recommended you bring
your own piece of essential clubware: a condom.
